

Pom Pom Pointillism

Art Curriculum - Pointillism

Learning Objective

Children will learn how they can simplify forms using dots, introducing them to an impressionist art technique called pointillism. A simple introduction to impressionist art techniques!

Pom Pom Pointillism

Art Curriculum - Pointillism

Materials Needed

- A selection of colorful pom poms
- A surface to create on!

Activity Procedure

1. Lay out all the pom poms you have and brainstorm what you can create
2. Arrange the pom poms according to the design of your artwork
3. Once you are done, step back and see your creation, observing how all the colors create the bigger picture!
